

2013 Veteran's Memorial 5K Race Sponsorship Levels

We thank you for considering sponsorship of this fundraising event. As you may know, all proceeds of the race go to purchase and clear land for the expansion of Fayetteville National Cemetery. The Regional National Cemetery Improvement Corporation is a registered non-profit with a 29 year history. Through the efforts of this group and, even more importantly, the generosity of past donors, land has been purchased, cleared, and donated to the Veterans Administration tripling the size of the National Cemetery and keeping it open for burial of veterans. However, without additional purchases of land, the cemetery will be closed in 14 years or less.

★★★★ Four Star- \$1000★★★★
