

VETERANS MEMORIAL 5K RACE

The Cemetery, one of only 136 National Cemeteries in the entire country, opened in 1867. Since 1984, the non-profit Regional National Cemetery Improvement Corporation has raised money to purchase and clear land to expand Fayetteville National Cemetery. The purchases, since turned over to federal government, have more than tripled the size of the Cemetery. But with the passing of the WWII generation, Fayetteville National Cemetery will be full and closed to further burials in just a few years. Unless you help.

All proceeds from the race will go toward the acquisition and clearing of land for the expansion of the Fayetteville National Cemetery.
